a) Review – 1st Read

- We are a TSI High school
 - targeting support and improvement
 - identified for Special Education
 - We were not identified in ESL because we did not have enough students but we do have those numbers now.
 - We are currently at 73% for Post-Secondary Readiness – Block Scheduling will help with this number
 - CSIP is heading in the right direction.
-

Agenda topic IV: Policy Update

a) Block Scheduling

- Nothing to change in policy by changing to block scheduling.
 - GCHS is also going to block scheduling next year but does not want to do ABABC
 - SCHS SBDM feels very strongly about the importance of having a “C” day in block scheduling as using an ABABA, ABABB scheduling will leave teachers not seeing some students without being seen until a 3rd day every week.
 - Going to block scheduling, we will gain 5 positions and more pathways including manufacturing, Teaching & Learning, and IT.
 - With a Teaching & Learning pathway we could possibly give monetary incentives to students who complete this pathway and then return to Scott County to teach after college.
 - **Motion to accept Block Scheduling for next year: 1st – James Walsh, 2nd – Kristy Collins**
-

Agenda topic V: Data Update

a) Attendance

- We are sitting at a 94% average for attendance
 - 91% NTI attendance/work
-
